

“Invest in Your Child” **TODAY!**

Phillip O. Berry Academy is setting high educational standards and expectations for our children. We need your help to meet those expectations by raising the funds necessary to bridge the gap between what CMS provides and the needs of our students. By donating, you take an active role in ensuring an enhanced, quality education for your child.

We don't do fundraising as usual here at POB. Because unlike traditional fundraising, **100% of the money raised through the “Invest in Your Child” campaign goes to benefit all students at Phillip O. Berry Academy.** Using this approach, the third-party vendor is cut out, which allows us to provide even more to our students (i.e., enhanced/improved technology, scholarships for seniors, support for academy projects, PSAT/SAT/ACT test prep, etc.). **And, contributions are 100% tax deductible.**

To recognize individuals who contribute, **we are going to have two drawings (one in September & one in October).** All students who have contributed at least \$5 or families that have contributed at least \$25 will be entered into these two drawings. The winning student/family will receive a \$50 gift card on September 29th and a \$25 gift card on October 27th. Hopefully, everyone will get their donations in early so you will be in the drawing both times.
